Expenses like  
**Transport , Food etc.,**  
with an option to attach  
bills  
for the same

The screenshot shows a mobile application interface for editing an expense. The background is a dark cityscape at night. At the top, there is a back arrow and the title "Edit Expense". Below the title, there are three input fields: "Customer Name" with a building icon, "Expense Type" with a crown icon and a dropdown arrow, and "Enter Amount" with a rupee symbol icon. Below these fields, there is a section titled "Attach Your Bill" which contains a large yellow plus sign in a circle and a small thumbnail image of a bill. At the bottom, there is a large yellow "Save" button.
